

Nomination Form—Tom Abeel Award for Outstanding Service to Woodruff Place

The Tom Abeel Award for Outstanding Service to Woodruff Place is established to recognize one to three persons each calendar year whose gifts of time, treasure, and talent have significantly advanced the interests of the neighborhood, its historical amenities, and its vivid community life. This award is intended as a “lifetime achievement award” to honor significant contributions over the course of years, and can be awarded to an individual only once.

1. Eligibility

Any current Woodruff Place volunteer may be considered for this award. The primary emphasis should be on the contributions of individual neighbors, but the following are also possible candidates: former residents who are still active, benefactors living outside the Woodruff Place boundaries, or organizations instead of individuals.

2. Deadline

This application must be submitted by midnight on Friday October 2, 2026. Applications can be submitted via the Townhall mail slot, dropped off at 826 Woodruff Place West Drive, or the online application at WoodruffPlace.org.
